ABOUT SUHA

Curiosity Is Her *Superpower*

Suha is an 11x award-winning executive leader, speaker, 3x best-selling author, and board advisor with over 35 years of experience spanning financial services, mortgage lending, technology, business intelligence and higher education. She is the founder of Z Technology Solutions, a consulting practice that helps organizations and business leaders unlock productivity and efficiency with technology and artificial intelligence.

A lifelong learner passionate about mentoring and elevating the next generation of leaders, Suha holds several degrees, certifications, and designations, and is currently pursuing doctoral studies in Organizational Leadership and Development. She lives in the greater Tampa Bay area with her husband and has two adult sons.

WHY BOOK SUHA?

Expertise Without Ego

Explains complex tech in plain language

Real-World Relevance

Tailored to IMBs, credit unions, community & regional banks and their partners

Actionable Takeaways

Clear next steps, not just big ideas

Audience Favorite

Engaging, practical, and full of relatable stories
